and that a stranger unconnected with his family should be appointed to the office. The Shanbhog was exempted from Criminal Prosecution in consideration of his age and of the payment of the full amount embezzled by him.

4. Under an authority conveyed in the Deputy Commissioner's No. 529 of the 23rd September 91 Mr. H. Ramachandra Rao, the then General Assistant Commissioner, by an order dated 9th November 1891 appointed one Bassettihalli Idris his appah son-in-law of the dismissed individual as a gumasta for the temporary discharge of the duties of the office on the understanding that such appointment was not to confer on the nominee any right to the Shanbhogaii.

5. Subsequently the Amildar acting under the orders of the Deputy Commissioner issued a notice to the said Idris informing him that if within a given he paid up Rs 278-14-0 being the amount of irrecoverable arrears of revenue due to Government by the late shanbhog's

brother and others, the question of confirming him in his post would be considered but in default he would be removed from the office. Ishwappa accordingly paid the amount in March 1893.

6. The petitioner who had been agitating to get the Shanbhogui for himself having complained that though the amount referred to above was offered by him before it was paid by Ishwappa, the same was not accepted by the Amildar, some correspondence ensued, till at length it was decided by the Deputy Commissioner in his Hukum No. 418 dated 18th April 1895 that Ishwappa should be allowed to continue in the office and that a report as to the manner in which he discharged his duties should be submitted for final orders on the expiry of 2 years from July 1893.

7. The Amildar accordingly reported in his letter No. 49 of the 19th July 1895 that ever since he assumed charge of the Taluk which was in May 1894, the acting Shanbhog had been performing his duties satisfactorily. No further orders were passed on this report as the matter had gone up to Government in appeal.
